Take a Step Ahead!

What we do, how we do it and Why

What is Step Ahead?

Step Ahead Welfare Society is a self-financed, non-political organization established by students from RMU and run by students of other as well. From the past 5 years (being established in 2018). SAWS has been working to impart education in the kids of slums of Rawalpindi by teaching them 5 days a week at Liaquat bagh,

"We teach Children!"

Amidst studies, exams, moments of peace and chaos, times of trial and gratitude, there always remained a quest to grope for some meaningful aim of my existence.

I finally found it in the vibrant eyes of those kids desperate to learn more, discover more. And so I chose to **Step Ahead** instead of passively witnessing their dying dreams.

OVERVIEW OF ACTIVITIES

The Society runs a street school in Liaquatbagh 5 days a week throughout the year where 50+ kids from the slums of Mareer Hasan and Arya Mohalla are being taught free of cost. Other than this camp, important activities throughout the year include

Our Mission

We believe that every child has a right **to get educated** - a right they shall not be denied.

And so We strive for a simple cause,

a school without walls

What is The Camp?

We have a camp at Liaquat Bagh where we teach Children 5 Days a week, free of cost.

The Camp is an Intermediate setting between the School and the streets. In other words,

The camp is just one part of a 3-step system.
