

RAWALPINDI MEDICAL UNIVERSITY RAWALPINDI

CALL FOR APPLICANTS

LADY SANGEETA FELLOWSHIP PROGRAMME

Research Fellowship (Genetics)

Applications are invited for a one year Research Fellowship in Genetics to enable early career researchers (ECRs) to establish their academic credentials, which will act as a springboard to launch academic careers at RMU.

Eligibility criteria:

The eligibility criteria for admissions to a Research Fellowship in Genetics are as follows:

- **Basic qualification:** MBBS/Masters in bioscience fields
- **Postgraduate qualifications:** MSc/MPhil/MD/PhD
- Candidates who scored First Division
- Candidates will have to submit a statement of purpose.

Funding and support:

Each successful Research Fellowship student will receive funding which will comprise of:

- Salary
- Consumables for the project
- Budget for attendance at one conference
- In kind sessions per year with an international research leader/personal mentor

Job description

- Design a proposal for a research project, which has the potential to make a significant impact by advancing knowledge, understanding and the development of new insights/concepts in the field.
- Ensure that the project receives ethical and all necessary regulatory approvals before commencing any field work.
- Work closely with all relevant stakeholders – including supervisors, mentors, research colleagues, and suppliers – to ensure that the project is well managed and delivers according to agreed timelines and budget.
- Manage risks proactively taking mitigating actions as necessary.
- To provide interim reports to the funder at 3 and 6 months and a final report at 12 months.
- Disseminate findings through presentations at scientific meetings and publications in peer-reviewed journals.

How to apply:

- Submit the [completed online submission form](#) along with scanned copies of relevant documents at directorric@rmur.edu.pk

Commented [1]: Give the URL
